

Locust Grove's Annual 18th c. Market Fair

Saturday, October 27th 10am-4:30pm
Sunday, October 28th 10am-4:30pm

Welcome!

We are so pleased to have all of you here at Locust Grove.

Parking Regulations

In an effort to have parking space for the public, participants are required to display their parking pass and to **park only in the designated area**. Check with your commanding officer if you are unsure of your assigned parking area.

Living at Locust Grove

Please be considerate when using the restrooms in the Visitors Center. We have no janitor on staff and we clean the restrooms ourselves. Please ensure there is no hair in the sink, and the floor is picked up when you leave.

Weapons Policy

See firearms document. All Edged weapons must have their Blades and Points covered. This includes Tomahawks and Belt axes.

Emergency contact – Our caretaker Natasha Walker is available and is on the grounds at night. If there are any emergencies, please contact the caretaker at (502) 249-4591. She will have access to the Visitors' Center building in the event of an emergency or severe weather.

Firewood & Straw are available in the camp grounds. **Companies are asked to make only a few fire pits each.** Please cut out a circular piece of sod and build your fire within the pit. The Fire Department has given a permit for the fires.

Please note at no time during the Market Fair should visitors see bales of straw. The **straw is not to be used for seating.**

Water – There are water spigots right on the log cabin across from the camp area. There is an additional spigot on the outside wall of the restrooms at the end of the outbuilding complex.

Bathrooms – There are bathrooms with flush toilets at the end of the outbuilding complex. There are also port-o-lets on the grounds; these may not be moved under any circumstances.

Ice – Ice is located in our “ice room,” which is the garage door closest to the parking lot behind the Visitor Center. Please take only as much as you need.

Garbage – Garbage cans are located throughout the grounds and camps.

RULES OF THE GROUNDS

- 1. Children must be supervised at all times.** Please do not allow your children to roam our nature trails alone at night. Children under the age of 12 are not allowed to enter the museum house without an adult.
- 2. Quiet time** must begin at **11pm**. We are in a neighborhood and need to be respectful of our neighbors at night.
3. All trash must be placed in the garbage pails throughout the camp and sutler areas.
4. Please be kind to our young fruit trees in the camp area. Nothing can be hung from them or draped around them. **Please do not let children climb any of the trees.**
- 5. Please do not pick any of the flowers, vegetables, or gourds from the garden.** Please inform your children of this rule!
- 6. If you tour the house, please remove hobnailed shoes or boots as they make our floors scream in pain.**
7. Campers are welcome to stay Sunday night. We ask that all campers and sutlers be off the grounds by the end of business on Monday (5:00pm). The museum opens to the public at 10am on Monday.
